Ack.
Eeh!?
Eh?
Clothes...
I'm still wearing them.
I didn't do anything. I'm sick, remember?
It's a shame though.
.....
I'm sorry.
I just...

How are you doing?
Sorry for waking you up.
No, I was awake the whole time.
I'm fine.
I was looking at your sleeping face the whole night.
thumb up
I shouldn't have worried about you.
ha ha ha
... hm.
I'm sweating.
That's my sweat...
Sorry.
I was so happy I kept sticking onto you.
Wah...
"The Yoshi-oka-san fluid"...
That's rude!
You create that weird name on purpose...
...and now!
Change your clothes.
I'll bring something to wipe off the sweat.
I'll also change the bed sheet.

Zzz...
sigh
I'm sorry...
Before that...
How's Chizu doing...
I'll cook her favorites today
open
thump
Here's hot water and towels to wipe your sweat...
Thanks.

Why am I getting flustered over a man's naked body...
Go back to bed after I change the sheet.
flap
Ouch!
The water's a little hot, be careful.
Haw's Chizu-chan?
She's fast asleep.
Okay, now go back to bed.
Sorry for the trouble.
It's nothing.
By the way,
just rely on others when you're in trouble,
isn't that what you always told me?

You always told me to depend on you
I did, didn't I?
I'll bring something to drink.
You don't mind sports drink, do you?
Just as Tenchou said, Yoshioka-san is bad at depending on others.
Wahaha-
Thanks.
You can eat them anytime you want.
Ah...
I also stored some more puddings and jellies.
Why are you laughing ...?
No, I just kind of understand how that feels.
I can eat them anytime because I've loved them since I was a kid.
laugh
flomp

Ughh...
This big size really hurts my pride...
As a fellow male...
...what the...
Okay, I'll be borrowing then...
Oosawa-kun, you can use the shower and wear my shirts if you like.

All that's left...

Seiichi-kun... how are you doing?

open
Who is it?
Oh, my...
So he has a new lover.
No, I'm not!
my my my
Aww what a shame...
You went to the clinic yesterday, so I'm a bit worried that you don't take your medicines properly.
Ah.. She's the woman from that pharmacy
Well, here... just some instont porridge.
rustle
So you two aren't dating...
Too bad... Not yet.
What da you mean "not yet"!?

Thank ...you.
You're lazy as usual.
Oh, my...
I'm actually doing my work at home.
It's bad if you don't show enough appreciation to women.
You better be glad I even came.
I see..
That may be true...
Just be glad I'm even concerned.
But... I can smell something delicious. I guess there's no need for me to come.
Ah!
I made some egg porridge. You're welcome to have some.
In the meantime, I'm going home to pick up some clothes for Chizu.
open
Naoki-kun...
Yosshi... are you okay?
SHE JUST REALIZED.
...ah! I see.
You're the father from back then.
Good morning.
Morning.
Yes. Thank you for the other day.

Ack! Hey, just wait for a minute!
excited
I'll be back in a minute.
If you're fine with our child's hand-me-downs, I'll bring them right over!
Our child grows up so fast there's even some that have never been worn!
Err...
Well then!
Just wait here!
bam
She seems excited...
Yes...
?
If you have some concerns about child-raising, you can always ask her.
Yoshi, are you okay?
I'm fine, I'm fine.

I'll eat the rest at noon...
I'm sorry.
I guess it's still a bit hard to wake up.
clatter
clatter
I'll bring some water to drink the medicines with.
I'll leave this in the kitchen.

T/N: On the medicine bag
Yoshioka Seiichi / March 1st

I guess so.
Clink
You can really move in here, I mean it.
TOMORROW, KANA-SAN WILL TAKE CHIZU AWAY
.....
WHAT GOOD WILL IT DO TELLING HIM.?
JUST WHAT AM I... TO HIM?
WHAT DO I REALLY WANT...?

I WOULD NEVER EVEN THOUGHT SOMETHING LIKE THAT BEFORE

IF IT ISN'T YOSHIOKA-SAN...

sigh
I guess
there's no use hearing that from a troubling and sick man.
Yosshi, it came off.

When the time comes, I just can't give him any answer...
Okay, turn around.
If you're worried about me, I'm fine already.
I'm sure you've got your own family business to do.

We brought the fever in after all.
I'll properly nurse you back to health.
Na,

THERE'S NO NEED FOR ME TO SAY MORE.
Okay...
Well then,
I shall take you up on that offer.
IT'S BETTER FOR US TO SPEND THIS HAPPY MOMENT FOR A LITTLE BIT LONGER.
JUST LIKE THIS,
Okay--
Come on, the sick should stay in bed.
Okay, it's done.
Thank you.

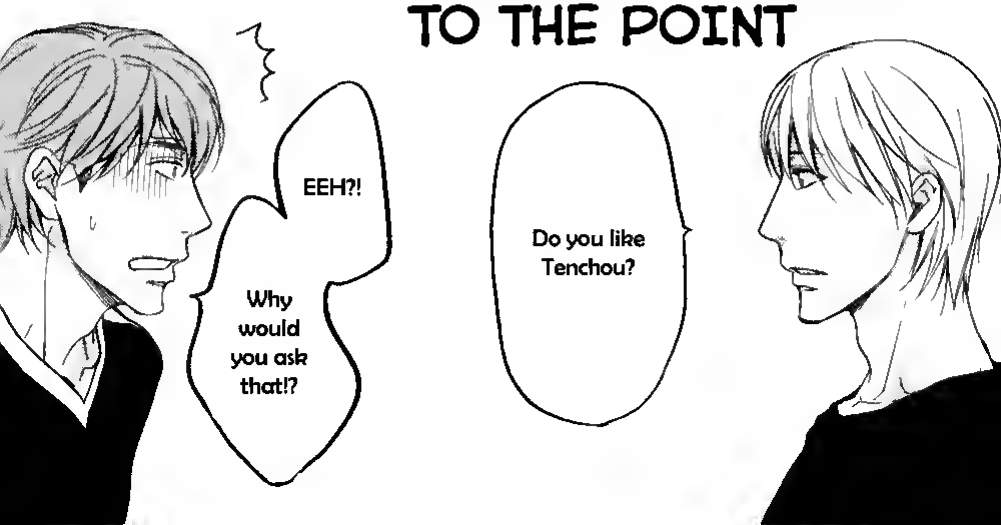
Eat these with him, too.
So that's why he was squeezing fruits...
And take these, too.
For Chizu.
open
Jellies~
.....
Who says I'm worried about him!?
I said they're for Chizu.
bonk
Ouch!
If you're worried about Yoshioka-san, why don't you just go by yourself...
I'm home~
Konishi! Stop slacking off.
Shouting around to hide his embarassment.
...I guess so.
Though no one knows if he's really embarrassed or not.
Tenchou is the type that they call "tsundere", right?

close
Welcome home.
Yosshi... are you okay?
I'm fine, I'm fine.
I drank my medicines and slept very well.
Is it all right for you to walk around?
.....
Why don't you tell him yourself?
Hahaha~
Give my thanks to him.
Ah!
These are from Tenchou.
There are three of them... Let's eat together.
Let's clean our mouths and hands
Chizu-chan, let's eat together.
Roger!
He ran away
And those two are getting even closer. u

Yashioka-san actually gets along well with Tenchou.
Yummy~
Ah... it's delicious.
gulp
Instant answer, I see.
Because I was kinda hoping for that.
Where did that come from?
Na, I'm not.
.....
He actually still hates me.
Maybe it's just for today because I'm sick.
Hmm? Are you jealous?

But, well,
the way he does something like this makes him kind of cute...
gulp
Cute...
Is that so?
It actually "is" cute in a way..
Like how he just won't be honest.
WHAT IS IT?!
Yoshioka-san...

TO THE POINT



EEH?!
Why would you ask that!?
Do you like Tenchou?

Yosshi, do you like Naoki-kun?
Will you marry him?
Uhm...
Err...
TO THE POINT
I'm really shocked.
Even though...
even though I've been completely devoted to you lately...
depressed
smile
.....
Please don't say anything weird...

I like him!
That's right.
.....
Somehow...
After all this time,
what is happening...?
My heart just skipped a beat.
blush
Yoshioka-san, go back to bed after you finish it.
Okay.
Getting used to being ignored
OOOOOH

You cut the carrots like stars.
So we're having stew and hamburgers tonight?
Why are you awake?
open
boil
boil
I'll cook your meals after this.
I'll put the leftovers in the fridge.
Let me have the same.
My appetite's back.
You don't need to take Chizu-chan to the daycare. I'll be here to babysit her.
But...
She'd be able to sleep earlier, and I'll go to bed after that.

...you're the stubborn one.
See, it will definitely be easier for the both of us if we live together.
pout
Oosawa-kun, you're so stubborn.
Well then... I'll take that offer.
YOSHIO-KA-SAN IS ACTUALLY A VERY RELIABLE MAN.
Okaay.
push push push
Come on... I'll call you when dinner's ready. The sick should just stay in bed.
BUT-.
SOMETIMES- YEAH, I THINK IT'D BE FUN IF THE THREE OF US COULD STAY TOGETHER LIKE THIS.

He can give Chizu a better living environment.
He seems like a much more reliable man than us..
Bye~ bye~
Chizu, be a good girl, you hear?
Yes.
Okay, I'm going back to the shop now.
Sorry to trouble you while you're sick. But please take care of Chizu.
This is it.
I'm going.
Tomorrow, after I take her to the kindergarten..
It would be the last...

*chapter 11

I haven't told Yoshioka-san nor Chizu that today would be the last time we could be together.
Late at night when I'm back after work, I find Yoshioka-san waiting for me as always.
I try to act normally.

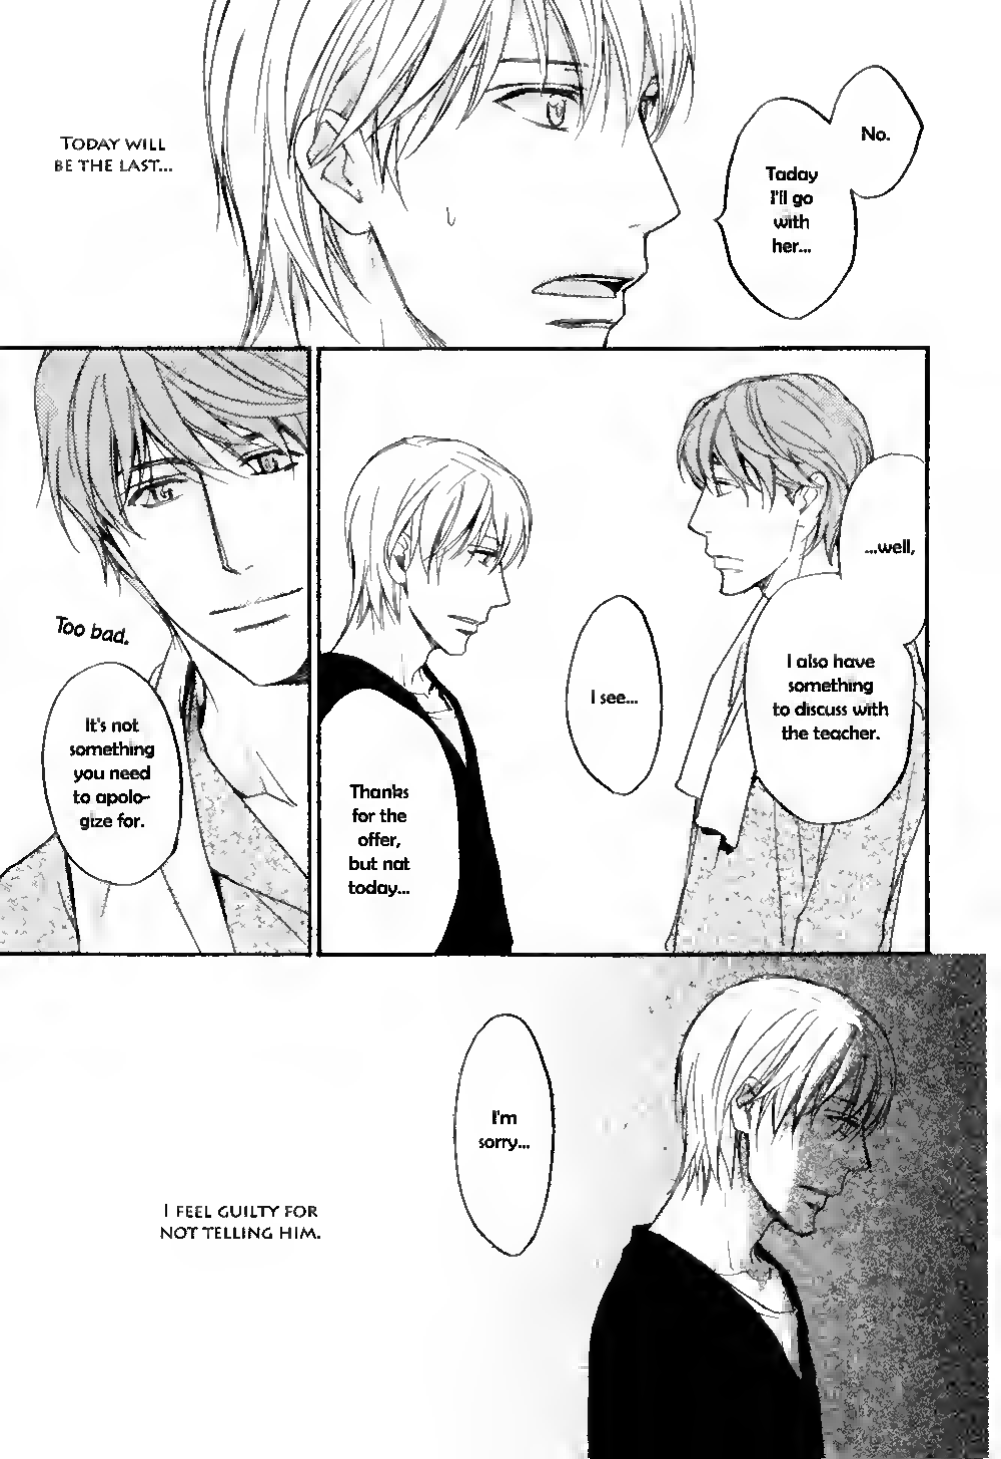
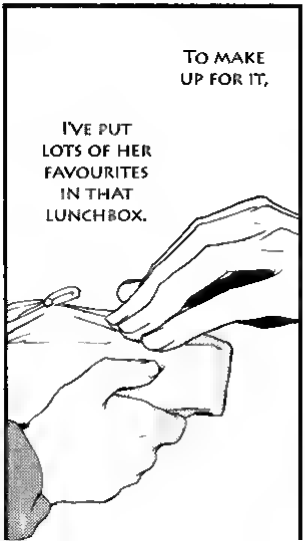
...well then.
That's right...
Okay.
click
Yeah. I understand.
At the kindergarten.
Thanks to you.
Good morning.
You look well enough today.
beep
Morning.
Ah...
Then I'll take Chizu-chan to the kindergarten on my way to work.
There you go again...
Here's your lunchbox.
Let's spend the weekend together.
I'm glad.
We'll go home today then.



TODAY WILL BE THE LAST...
No. Taday I'll go with her...
Too bad.
It's not something you need to apologize for.
Thanks for the offer, but nat today...
I see...
...well, I also have something to discuss with the teacher.
I'm sorry...
I FEEL GUILTY FOR NOT TELLING HIM.

FROM YOSHIO-KA-SAN'S HOUSE,
Yesterday, Yosshi...
Okay.
Chizu, let's go.
I'm going.
THE SHORT DISTANCE THAT MAKES ME SAD NOW.
WE HOLD HANDS AS WE WALK THE SHORT DISTANCE.
Your mom will come pick you up today.
?
Mom?
I've been informed by her mother.
Good morning.
Sensei, good morning.
Good morning.
Sensei, good morning.

Your mom said...
she also wants to be with you.
Hoppy?
Yeah.
Mommy!



TO MAKE UP FOR IT,
I'VE PUT LOTS OF HER FAVOURITES IN THAT LUNCHBOX.

I'M SUCH A BAD FATHER. I CAN'T EVEN TELL HER THE TRUTH.
Here's your lunch.
Isn't that nice?
Okay.

hug
Naoki-kun...
what's wrang?
Are you hurt?
RATHER THAN LIVING WITH SOMEONE WITH AN UNSTABLE SCHEDULE LIKE ME—
I don't want to let her go...
But...
A good luck charm so that you'll be happy.
Good.
Off you go now.
?
?
hold on
Be sure to eat all of your lunch...
Yes, I won't left any.
Be careful when you're playing.
Okay.

THEY WILL SURELY
MAKE YOU HAPPY.
.....
HER HAND...

MAYBE I SHOULDN'T LET GO OF HER HAND...
THERE JUST MIGHT BE SOMETHING MORE THAT I CAN DO FOR HER
WHEN I LET GO OF HER HAND,
I JUST FELT SO MUCH REGRET.
BUT.
.....
sigh
Oosawa-san doesn't look well today.
I don't think it has anything to do with Yoshioka.
He went to the laundry at lunchbreak.
...no.
I wonder if Yoshioka-san did something to him...

Look at you now
You still can't work well even when you're well.
Oosawa, it's about time you go get Chizu...
Oh, that's right.
But it's true that he's acting weird today...
He still does his work properly though...
He just lacks the spirit or something like that...
Slide
pant
pant
pant
Am I late?
So I dashed here after work... Looks like I made it just in time.
I am planning to go get Chizu.
Yoshi-oka-san.
Oi!
We're still preparing.

Uhm...
You don't have to go get her.
.....
Guess I'll try again next week.
She wasn't able to go last week after all.
Ah!
I see. She's with her mother on weekends.
WHY IS IT...
SO HARD TO TELL YOSHIOKA-SAN?
clench
Uhm...
Oi!
You're hiding something, aren't you?

No...
I've been working with you long enough to notice that,
You're hiding something, right?
Kana-san...
has re-married.
And...
she wants to take Chizu in.
He seems able to raise her better than me...
I've been talking a lot with the man on the phone since I met him.

And you agreed to that!?
I'm also filling the paperworks needed for child custody...
NIIHAMA 1ST KINDERGARTEN
Your cold's gone now?
Mom!
Chizu...!
Yeah.

Good afternoon.
Ah, Chizu~
This man is... ... ...
... ...
Good afternoon.

A few days ago...
Why didn't you say anything ta me?
Because I have nothing ta do with it?
Just when did you decide that...?
...I've... already decided.
Are you sure about that?
Before... didn't you say thot you don't want to let her ga?
Was that a lie?
"EVEN THOUGH WE'RE LIKE THIS, I CAN'T THINK OF ENTRUSTING HER TO OTHERS."

That's not it.
Just when you thought...
That's not it!
your child is a bother, someone appeared at the perfect timing to take over the responsibility...
Rather than staying with me...
WHY ARE WE FIGHTING OVER THIS...?
Chizu would be better off with him who can give her a good living environment...
Really?
Do you know how he lives?
Have you confirmed that before taking your decision?
That's...
But...
He's an older man and looks reliable...

Just because he's older and looks reliable,
doesn't mean he's a good person.
There's no guarantee he'd be able to provide a good environment to someone else's child.
.....
But... Kana-san would be there as well...
She's a woman who ran away and abandoned her own child.
You can always decide after taking it to the family court.
I...
but...
didn't want to let her go,
I...

After that kind of fight, she'd only feel awkward wherever she goes...
.....
If she doesn't know what you are thinking...
she might think that you just don't want her anymore.
But...
don't want her to see
us fighting over her.
Because I've only shown her the separation... nothing else.

It has nothing to do with Yoshioka-san.
Just leave me alone.
Take that to the second floor
Yes.
Kanishi...
You...
This is the first time I've seen the two of you fighting like that...
Yoshioka-san left his jacket...

I'm sorry.
.....
But I'm pretty disappointed that you don't even talk to me.
I know that you're the type that always keep everything to yourself.
"DIDN'T YOU SAY THAT YOU DON'T WANT TO LET HER GO?"
"SHE MIGHT THINK THAT YOU JUST DON'T WANT HER ANYMORE."
"WAS THAT A LIE?"
Yoshioka-san grew up in an orphanage...
I'm sure he said that because he really knows how children are always left out of parents' problems...
"IT HAS NOTHING TO DO WITH YOSHIOKA-SAN."

He looks hurt
I GUESS I GOT TOO HAPPY FOR NOTHING
SORRY
NO...
YOU ALWAYS REJECTED MY OFFERS TO LIVE TOGETHER
I SEE...
THAT'S RIGHT...
CHIZU
HAVE LEFT ME...
AND YOSHIOKA-SAN

SUFFOCATING.
I want yakisoba!
IT'S NOT LIKE I'VE NEVER THOUGHT ABOUT IT...
BUT HOW COME IT'S SO...
IT'S SO
Sit properly.
Kazuki, you always ask for that.
Mom... I want yakisoba!
Let's eat that at the amusement park tomorrow.
Okay!

rattle
Hmph!
Kazu, sit properly. Look at Chizu... She's such a good girl.
I'll eat them all!
Kazu-kun, good answer.
Okay.
ha ha That's right.
We're going together tomorrow. So let's eat and build up our energy.
Don't be picky with your food.

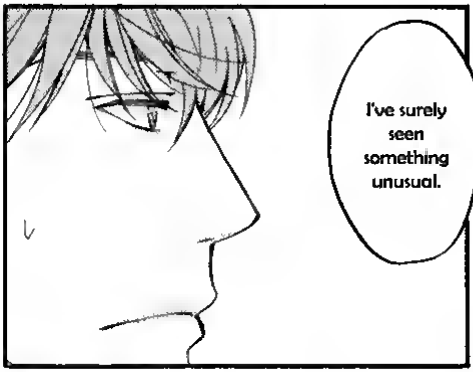
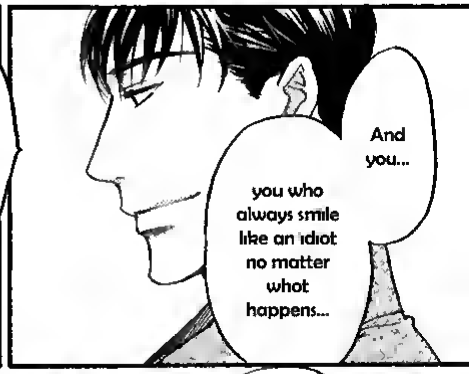
Nobu-toko...
You forgot this.
Sorry I'm not Oosawa,
and he asked me to return this key to you.
How's Oosawa-kun?
Well...
He was pretty depressed, but he did his work properly and went home.
I see...
Are you angry because he didn't get attached to you even though you've treated him well?
That's not it.
I was shocked that he acted like that...
Oosawa is not your parents.

Yet he wasn't. Is that why you're irritated?
You thought he was the ideal type of parent who won't let go of his child no matter what happens.
.....
I never thought about it like that.
I'd be happy if he'd just depend on me even for a bit...
And that also makes me want to spoil him.
and that what makes him cute...
I just thought that he was always so devoted...
But I ended up being taken care of by him.
Oosawa is bad at depending on others...
Well, I know...
He had plenty of time to talk about it...
I wish he had confided in me...
Even just a little...

It's like he has more leisure...
But lately...
Well... even though he's still busy as always.
he doesn't look cornered like he used to be.
.....



I've surely seen something unusual.



And you...
you who always smile like an idiot no matter what happens...

Keep saying it to yourself.
You did make jellies for three.
I thought you wanted to comfort me.

Who's cheering you up!

Sorry... and you came all the way to cheer me up.

Well, just think of what to do.
Not far in the future, he'd face rougher times.
See ya.
Nobuta-ha.. you've always been such a good guy since the old times
I think I could just fall for you ♡
Shut up!
I just hate that side of you.

I got a mail... They have picked up Chizu...
That's all.
I have to change my clothes.
And spread the futon...
Chizu...
I must sleep properly.
I still have work tomorrow.
"She might think that you just don't want her anymore."
I wonder if she's doing well?
I was haunted by the regret of letting go of her hand...
And by Yoshioka-san's words... I just couldn't sleep.
That day...
It would be fine as long as she's happy...
I thought...

Do my hair...
Sorry... I'm making lunchboxes now. I'll do it later.
Okay .....
Chizu, go and play with Kazu-kun.
Yes.
Stop playing around and wash your face, or we'll leave you behind.
Kazu-kun, have you washed your face?
Nat yet~
Mom...
thud

Yosshi gave it to me.
It's nat weird...
That's weird!

Hairband...
What's that?
Who needs this anyway!
Ouch!

That hurts!

Let me see it.

Kazu-kun, what's wrong?
She did that to me!
What's wrong..? So early in the morning.

Waaa...
But...
Chizu-chan, don't be rough.

Good morning.
Sorry for yesterday.
There's no lunchbreak on Saturdays, so you don't need to come so early.
Looks like you didn't sleep well, too.
.....
I returned the key.
Ah!
Okay.
Thank you.

beep
It's Kana-san...
Sorry.
Yes...?
Huh?
Uhm...
Did Yoshi...
Wha...
What?
It's Chizu...
She's missing...

You could've called... ah...
Sorry.
I left it in my suit's pocket...
Is there something wrong with Chizu-chan...?
.....

She went to the amusement park with them.
But then she was gone the moment they took their eyes off her.
They've broadcasted a last child notice and searched the entire park. But they can't find her...
They've also contacted the police...
And they asked me if she was with me by any chance...
What...
what if she got kidnapped...
I...
shouldn't have let her go...
What should I do...

Chizu-chan can take care of herself.
Who knows? She might be on her way here.
She'll be fine.
Yes...
Calm down.

DON'T YOU DARE COME BACK HERE BEFORE YOU FIND HER
IF CHIZU COMES HERE I'LL CONTACT YOU
WE'LL BE FINE HERE.
He said I can take the day off. Since I probably won't be able to work properly...
How about your work?
I'll go and look for her, too.
Let's search for her at the station and at the house. Any place that she might go to.
Let's split up and search for her.
It would be bad if you failed to see her, so don't use your bicycle.
Okay.
nod
Contact me when you find any lead.
Yes.
It's better than doing nothing.
Look around at all the places that she might go to.
I know you're worried. But be sure to stay calm.
That's right. I'm counting on you.
Ah... The child that was with you?
If a child around this tall passes by, please contact me.
Kanrinin-san... Excuse me.
T/N KANRININ = MANAGER.

If you have time to cry, why don't you use it to go search for her?
I'll go search in the station's area, you go to your apartment and the nearby park.
Yes.
She'll be fine.
Yes...
WHAT WOULD I DO IF SOMETHING HAPPENS TO HER...?
Chizu...
Chizu...

If I didn't let her go... this would never happens...
Even if I'd trouble Yoshioka-san and the others, I should've let them help me...
And Yoshioka-san told me he'd be happy to help...
"If you have enough time to cry, then go search for her!"
I'll cry later.
I need to find Chizu.
"She'll be fine."

Hmm...
No, she didn't, I think...
Kanrinin-san, did that girl come by?
Guess I'll go back and search the apartment.
Is there any other place thot she might go to...?
What do you mean, you think...?
I'll check my apartment then.
And contact Oosawa-kun, then...
Then I'll search around the station again...
Chizu-chan!?

No...
No, I haven't. Is something wrong...?
I'll contact you if I see her.
Thank you.
Oh... You're Chizu-chon's father.
Err...
have you seen Chizu around?
Good afternoon.
Yoshioka-san.
Yes?
I've found Chizu-chan.

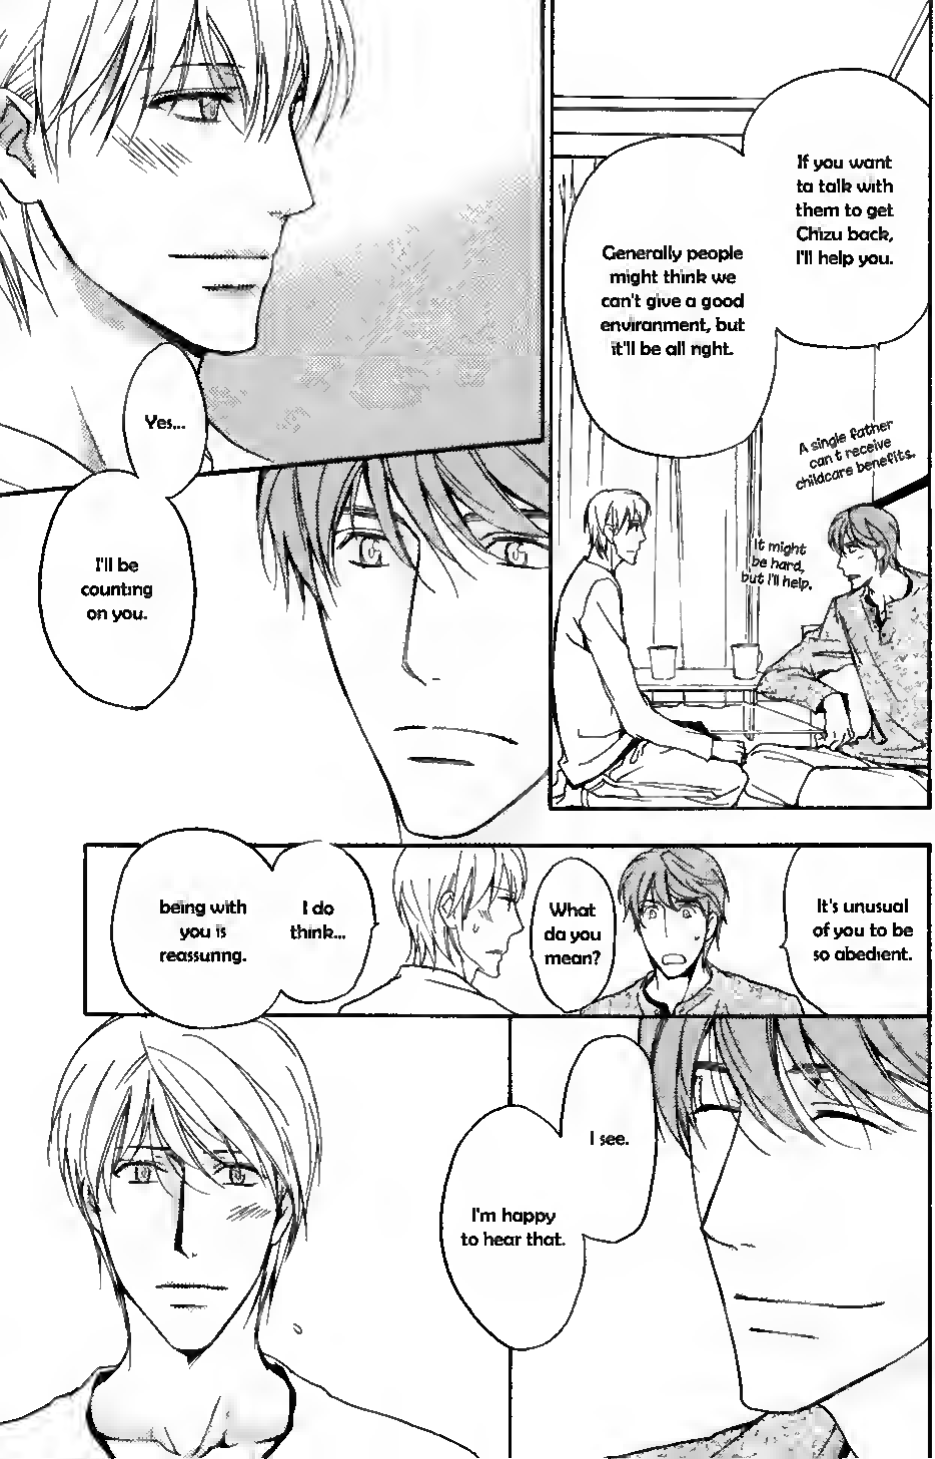
WHAT'S WRONG?
LOOKS LIKE YOU'VE MADE IT HERE ALL BY YOURSELF.
I think I want to raise Chizu by myself.
I...
even though they were relieved, the fact that they didn't immediately come to see her... is questionable.
True. After I informed them...
Seems like she couldn't fit in that house...



If you want to talk with them to get Chizu back, I'll help you.
Generally people might think we can't give a good environment, but it'll be all right.
A single father can't receive childcare benefits.
It might be hard, but I'll help.
Yes...
I'll be counting on you.
It's unusual of you to be so obedient.
What do you mean?
I do think... being with you is reassuring.
I see.
I'm happy to hear that.

all her stress from holding back all this time just burst out.
It's like...
.....
True. You didn't slap her or anything, but she cried like that.
It's been a while since I saw her crying like that.
Quite a while ago,
when I picked her up from a night child-care center,
even though the other kids were crying, she waited for me without shedding a tear.
"Even if they cry, their parents won't come any faster."
That's what she said.
She's stronger than a boy.
Ahaha~
She sure is a smart girl.
That's right. So this is a first for me...

Me, too.
It is the first time I saw you cry.
You could've shown more of your feelings.
You're so cute.
I guess
I really do like Oosawa-kun.
blush
There you go again...
You don't only spoil me,
you also scold me.
That's because you do things that get you scolded.
I really like that.

You see... I was raised in an orphanage.
So I love seeing you working hard as a single parent.
By helping you, I feel like I'm saving myself...
I thought... How nice it would be if we could go on like this.
Yesterday, Nobutaka told me, that you're not my parents.
Nobu...?
Ah... Tenchou.
It's not like I was imagining you as an ideal parent inside my mind
I THOUGHT I WAS THE ONLY ONE THAT KEEP GETTING HELP
.....
I can see clearly that I'm a help to you. That makes me feel relieved.
Any-how,
Ah, I don't mean to make you feel you owe me.

What is it?
stare
I'm just surprised.
.....
I...
I am content when I'm with Yoshioka-san.
!
In the future... I won't hold back anymore to ask for your help.
I have learned my lesson from this accident.
That's if you're willing to...
Of course.

Yo...
Yoshi-oka-san!?
I don't mind at all.
I'll help you.
You don't need to worry. Let's take Chizu back.
Then let's live together. The three of us.

Yes...
It feels a little weird.
A while ago, you were just a regular at the shop.
More like a customer with a bad image?
Maybe.
That's harsh.
Then... what about now?

I...

Ii...
Just now... what was I about to say?
Huh?
No objection?

I feel strange.

No way!
Sorry... but we've come this far, I don't think I can wait any longer.
I need some mental preparation...
I know it's strange for an adult like me to be scared like this.
Yes... a little.
No, it's not.
Are you scared?

So is there "much" to know ~?
Much?
Yes...
It's your first time with a man,
you probably don't know much.

Are you regretting it?
Lately, I sort of knew it'd come to this, but...
It's not like that.
It's just
Tomorrow's an important day. Yet we...

Oosawa-kun... you're thinking about it too much.
Things will work out somehow.
It will be okay.
WHAT'S THIS..
WHEN I'M WITH YOSHI-OKA-SAN, I LOSE MY CONFI-DENCE.
Don't say that so easily.
And please don't stare at me like that.

It'll be all right.
Things will work out.
Whoa...
Responsi-bility..
Now that it has come to this, I'll take the responsi-bility and help you.
So weird
Some-times..
When I'm with Yoshioka-san, I think things will really work out somehow
But for Oosawa-kun,
I think you need the right chance for most things.
That was your plan?
No, it's not...
I was thinking of holding back a bit more.

THAT'S RIGHT..
BECAUSE I CAN RELY ON SOMEONE ELSE, SOMEHOW I FEEL RELAXED..
Hm?
Not really...
I've been pretty much relying on you up to now.
Eh? Already?
I'll be borrowing your shower...
Ahaha~
That's just like you.
I'm going to Chizu's side.
Todoy
I want to be by her side when she wakes up.
Uwah, my hips feel weird
Let me wash your back.
I love that part of you.
Maybe I'll sleep there, too.
Eeeh??

Yau really are sleeping here?
Yes.
She's sleeping soundly.
I'm going to sleep.
Looking at this situation, I just can't believe I've passed that line with Yoshi-oka-san.

Come on, eat the ice before it melts.

We have troubled you because of our carelessness.
There won't be anything like this anymore in the future...
If possible
I would like to raise Chizu by myself.

Next time we...
Yoshi-oka-san...
the moment we found her yesterday, you should have come right over.
Also
It's fortunate enough that she is all right...
What do you mean "next" ...?

But there were a lot of things to take care of at the police station...
That's got nothing to do with it, right?
I...
"THINGS WILL WORK OUT SOME-HOW..."
"IT WOULD BE OKAY."
I... putting aside what happened...

I regret that I let her go.
Chizu,
your father will have a hard time with Yoshioka, you know?
shiver
shiver
Yosshi would praise Nooki-kun, so it's fine.
Everyone always seems to think he's weird, but they won't say it to his face.
Tenchou and Nooki-kun are always angry.
In my case, it's the "whip of love" kind of thing.
Love...
fufufu...
Koni-shi!

It's different than when we were with mom.
When he's with Yosshi, he's not scary even though he's angry.
Well, it's okay if you don't mind.
I know.
They da it a lot an TV, too.
I doubt you'll understand what I mean though.
.....
...Yoshi-aka is a man, you know?
Oosawa is also a man, you know?
sigh
If you have to choose between your father and your mother...
which one would you want to be with?

You want to raise a child on your own...
But a man raising a child alone is difficult.
Also... having both father and mother figures would be better for her.
Better how?
Still not good enough if it's just "having" a father and a mother around.
A child is sensitives to this kind of thing, and they can tell...
There's one thing...
YOSHIOKA-SAN IS TRYING TO HELP ME..

RATHER THAN PUSHING MY BACK...
This Yoshioka-san here,
I'm not alone.
IT'S MORE LIKE HE'S SUPPORTING ME
and many other people are helping me.
Forgive us for being rude...
what is his relationship with you?
this place and everything...
But...

We're friends.
.....
"BUT .."
"DON'T WORRY, IT WILL ONLY BE A DISADVANTAGE ANYWAY."
"LET'S HIDE THIS THING BETWEEN US..."
"YOU'RE STILL NOT SURE ABOUT ME, RIGHT?"
"SOMEDAY WHEN YOU WANT TO - AND CAN - TALK ABOUT IT, YOU CAN GO AHEAD AND TELL THEM."
"YOU ARE REALLY GOING EASY ON ME."
BUT...
TODAY I TOOK HIS OFFER AND LET HIM ACCOMPANY ME IN THIS PLACE ..

That might be true.
EVERYONE WOULD THINK LIKE THAT, BUT...
IT FEELS LIKE THIS...
"DON'T WORRY, IT WILL ONLY BE A DISADVANTAGE ANYWAY."
Even though
he's treated me so well,
I LET HIM SAY THAT WE'RE JUST "FRIENDS"...
AND RATHER THAN BE RELIEVED... I FEEL GUILTY...
It's not like I've done something bad...
just because we're the same gender...

He acts like nothing has happened...
Is it because he's used to this?
IT MIGHT BE NECESSARY TO TAKE CHIZU BACK,
BUT IS IT REALLY OKAY LIKE THIS... NOT TELLING THE TRUTH?
YOSHIOKA-SAN MUST HAVE FELT LIKE THIS MANY TIMES... UNTIL HE GOT USED TO IT.
Maybe I'm just not used to this...?
IN THE FUTURE, TOO... AGAIN AND AGAIN ...?
Well...
the truth is
we're not just friends.

It's really...
Yes... Life sure is full of surprises...

!
So we're going to do it?
Of course.
I already decided we'll do it when you're free the next day.
You don't want to?
But there's still something weird...
You still ask that even after declaring that we're lovers and moving in?
I should be the one asking.
I THINK THIS IS IT...
THERE'S NO UNEASY FEELING LIKE WHEN I WAS ALONE WITH CHIZU...
JUST LIKE THIS,
I ALWAYS GOT DRAWN BY HIS CHARMS.
Really, I wan't.
Oh, really ...?
I won't, I won't.
Just don't cheat on me.
It's not like I don't wont to...

Somehow my love meter for you increased little by little, it wasn't love at first sight.
Let's see...
Yoshioka-san, you're weird.
Just what made you fall for me?
Someone with a child like me...
Guess that's a first for me.
What's that?
From what you just said, now I know you just approached me randomly.
It'll be okay.
It's really going to be okay.
I'm fully devoted to Oosawa-kun.

Looks like...
I'm still a bit nervous...
Me, too.
Don't lie to me...
It's true.
Ah!
You...
...don't like
doing it with your mouth?
It's embarassing!

Wha are you comparing me with?
There are so many things I want you to do...
Now that's new.
Hmm? Do I sense jealousy?
I do think about it...

I'm so happy.

Oosowo-kun, you don't have work today, so you can relax.
MY LIFE WITH YOSHIO-KA-SAN
IS UN-EXPECTEDLY NORMAL

Did we produce some weird smell?

Ah... so that's it...
You two smell like Yosshi's cigarettes.
?
Maybe I should stop smoking...
Please do so.
It's not good for children.
It's not good for adults either.
OUR STORY TOGETHER HAS JUST STARTED.

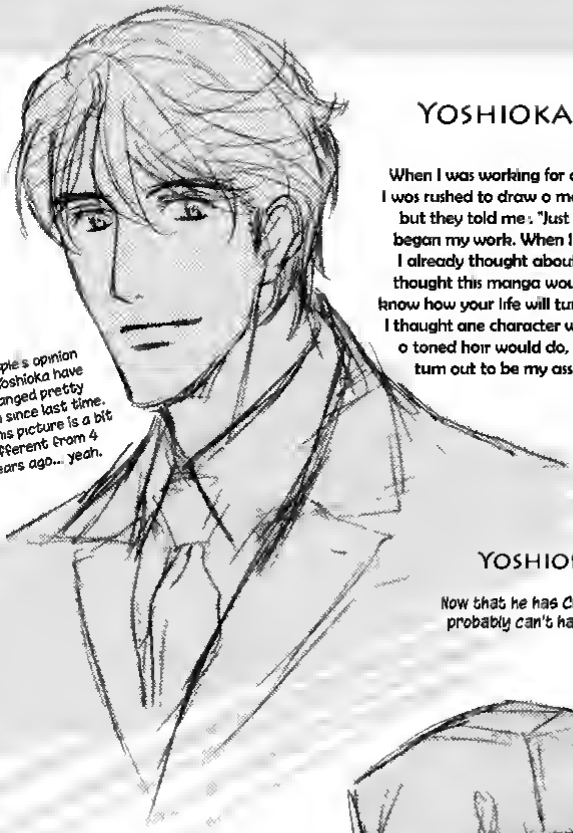
Yoshioka and Oosawa

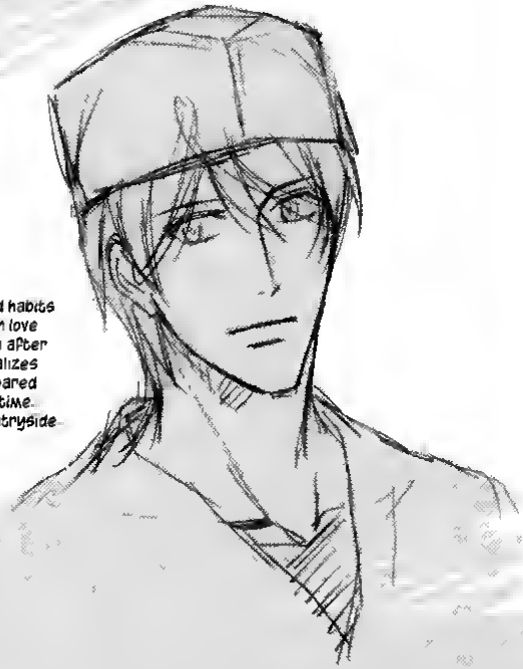
When I was working for another magazine and publisher, I was rushed to draw a manga... I had no idea at that time, but they told me: "Just eight pages would do" so there began my work. When I finished creating the characters, I already thought about their backgrounds, but I never thought this manga would take this long. You can never know how your life will turn out (laugh). Within eight pages, I thought one character with a curly hair and another with a toned hair would do, but I never thought they would turn out to be my assistant's arch-enemy... (really).



People's opinion on Yoshioka have changed pretty much since last time. And his picture is a bit different from 4 years ago... yeah.

Yoshioka Seiichi

Now that he has Chizu as a watcher, he probably can't have anymore affair...



Oosawa Naoki

He knows a lot about Yoshioka's bad habits and he needs time to really fall in love with the guy (still not enough even after I drew this much...?). Now he realizes what he really needs and is prepared for it, so he'd probably fall in no time. His parents live faraway in the countryside.

The Mother is not really a bad person. But she's a single minded person. She'd get her hands full with one thing then she can't handle others. It is not about the "Presence". To become a "Mother", she'll need to learn more. She's the type that goes at her own pace and still regrets that she has abandoned Chizu, but she's just so busy with her new life that time flashes by in an instant.
Come on-

This would look good on Chizu.

If you dare touch anyone from our shop, you'd be forbidden from entering here ever again.
You, the old man, sometimes a part-timer...
I'm pretty broad-minded,
but my taste is rather...
Tenchou...
OOSAWA... THE YOUNGER VERSION.
I've prepared the big plates and took in some extra beers.
Ack...
A customer!
Are we open already?!
Not yet.
Don't worry.
Sigh
I knew it.
A new product while I'm away, eh...?
stare
happy happy
He's not a product!!!

Oosawa, watch out for him.
I'm serious.
grip
?
Yes...
Can't you see that his face is looking at you like you're his favourite?
Hey, wait a sec...
I'm telling you,
he's more important than you.
Yau see,
he can da some-thing perfectly even if it was taught only once, and he's also a thoughtful worker.
He's never taken a kick from the old man.
If you dare do anything to him,
I'll cut our ties even thaugh I've been with you longer...
What da you mean...
What is it?!
?
He's praising him. That's unusual.

...
shiver
grope
clink
I want Oosawa-kun.
Joking.
INNER THIGHS.
Okay.
Ah.
It's time. I'll open the shop.
Have you decided what to order? Please have a drink.
Let's see...
I just told you!
Yoshi-oka!!!
If he quits because of you, will you take the responsibility?!
Er...
He wasn't wearing an apron. So I unconsciously...
Your greeting is messed up!
I'm just welcoming him.
You're cruel as always.
or his homo-ness will infect you.
And don't get too close to him
Okay...
Add the broken glass to Yoshioka's tab.

KILLING INTENT
conquering a straight guy would be pretty fun...
Well...
Uhm, I'm straight, so...
I'm sorry...
Now I've got another thing to look forward to...
♡
Well then, time to order.
A gay...
he's really open about it.

STILL FAVORABLE AT FIRST.
OOSAWA'S FIRST IMPRESSION OF YOSHIOKA WAS "BETTER NOT GET TOO CLOSE"...
END
I guess I should be careful...
Ah! Got it.
← 1 STEP BACK
Okay.
Beer
and deep fried tofu.

I Guess I Really Am Serious.

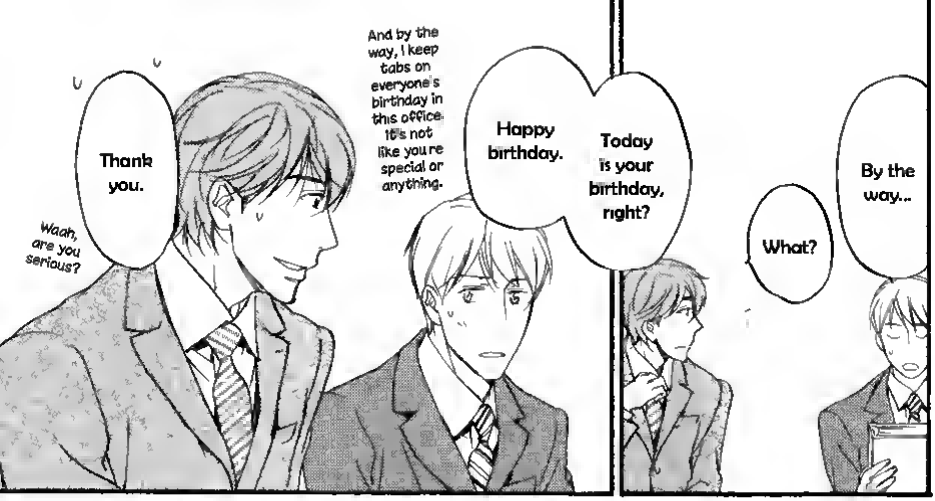
やっぱり真剣なんです。

DING DONG
Com-ing!
AFTER SHE GOT DIVORCED WITH FATHER— THE MEN THAT MOTHER INVITED HOME FREQUENTLY CHANGED
I THOUGHT LOVERS ARE ALL LIKE THAT.

YOSHIOKA-SENPAI, YOU'RE SO WEIRD!
YOU'RE SUPPOSED TO BE WITH ME SO WHY ARE YOU WITH SOMEONE ELSE?
PLEASE STAY WITH ONLY ME!
IT TOOK ME A LONG TIME
TO REALIZE THAT MISUNDER-STANDING.
.....
EVEN BETWEEN A MAN AND A WOMAN...
IT DOESN'T MEAN EVERY-THING WOULD GO WELL AFTER THEY GET MARRIED
I HEARD THE SAME THING AGAIN THIS TIME.
I SEE. SO THIS IS WEIRD?

sigh
So for a relationship to last, a cooperation between two sides is necessary...
What are you saying? It's common sense.
After all this time?
That's the basic of human relation-ships.
THERE'S NO WAY A RELATIONSHIP BETWEEN TWO MEN THAT PRODUCES NOTHING COULD LAST ANY LONGER.
I UNDER-STAND.
I did something bad to you, Yukito...
Now that you mention it... Are you doing well with your boyfriend?
AND THEN... IT NEVER LASTED LONG AFTER THAT.
I KEPT GOING OUT WITH THE "EASY" TYPES.
IS IT WRONG IF IT'S JUST FUN WHILE IT LASTS ..?
I ALSO DIDN'T UNDERSTAND THE FEELING OF WANTING TO MONOPOLIZE SOMEBODY
It's got nothing to do with you.
My, my...
blush
We're still at work.
WHEN I LAID MY HANDS ON YUKITO, I WAS SUPPOSED TO BE PREPARED FOR IT.

BECAUSE OF THAT EXPERIENCE, WHENEVER I SAW THE "SERIOUS" TYPE,
"I WANT HIM TO BE HAPPIER THAN ME" POPPED UP, AND I'D PULL AWAY FROM HIM.
GUARDIAN
WE WERE ABLE TO MAKE UP ONCE, BUT...
It was the first time I ever felt like that.
And we're in the same company, too...
No...
Maybe that's because he doesn't have any feeling towards me.
No, no... From the very start, I was the one that...
That's also a bad habit of mine.
.....
wanted to be happy...



By the way...
What?
Today is your birthday, right?
Happy birthday.
And by the way, I keep tabs on everyone's birthday in this office. It's not like you're special or anything.
Thank you.
Waah, are you serious?

SINCE A LONG TIME AGO, I NEVER THINK OF BIRTHDAY AS SOMETHING PLEASANT
YOU'RE A YEAR OLDER NOW...
IF ONLY YOU WERE A BIT YOUNGER, HE MIGHT LIKE YOU
Well, I do want you to grow up quickly.
IN FRONT OF MY MOTHER, I COULD ONLY FEEL SORRY ON EACH OF MY BIRTHDAY
IT'S FIFTEEN DAYS EARLIER..
AND WHEN I ENTERED THE ORPHANAGE AFTER THAT, WE CELEBRATED MANY BIRTHDAYS AT ONCE EVERY MONTH.
Happy Birthday-
Waaa-

clack
open
AND EVENTUALLY, IT BECAME SOMETHING THAT'S NOT SPECIAL TO ME.
Now that I think about it, mother at that time was younger than me now.
Moreover, I don't think I ever really celebrate anyone's birthday
POP
POP
.....!!
Welcome home.
Yosshi~~ Happy Birthday!

I just cooked your favourites.
Today's my off day so I secretly prepared it with Chizu.
Tenchou told me.
Eh?
Huh?
I also helped.
It's a feast!
If you have any request for next year, let me know.
.....

I SEE...
WE NEED EACH OTHER'S COOPERATION TO STAY TOGETHER.
IT'S SOMETHING THAT I'VE BEEN LACKING ALL THIS TIME.
NEXT YEAR...
I THINK IT'S IMPORTANT THAT...
Me, too!
Let's celebrate your birthday again!
WE'RE HAPPY THAT WE WERE BORN ONTO THIS WORLD.
WE'RE HAPPY TO BE ABLE TO STAY TOGETHER.
THAT'S WHY...
IT IS "A CELEBRATION"

!
What is it? Suddenly...

OUR BIRTHDAY TOGETHER.
I knew you'd say that.
Does this include the night course set?

NOW I CAN THINK OF IT AS SOMETHING SPECIAL.
Oh-
It's hardened a bit though.
We also have the cake here.

Come in.
Knock knock
You finally came.
I'll go back if you don't want to.
I'm sorry.
It took a while for Chizu to fall asleep...
I didn't say that.
I'm just happy.

You don't want me to?
Oh?
You're taking the lead?

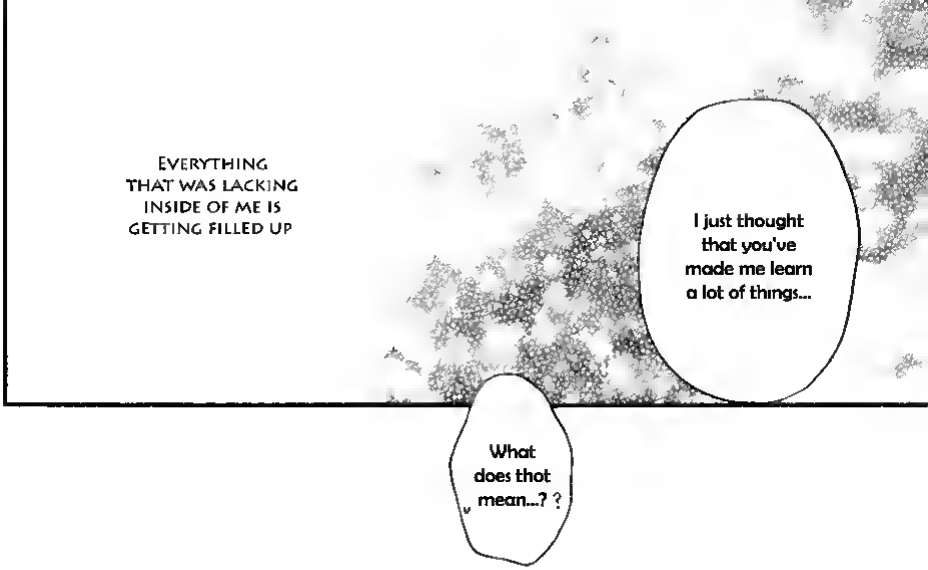
I'm happy, but...
touch
twitch
Ah!
You're already hard...
Even I have sexual lust...
Though I doubt that I'm able to feel it towards another man but you.
I'd be happy if it just stays like that.
pull
It'd take all of my efforts~
.....

I think that depends on Yoshioka-san, right?
Hahaha~
I'll do my best.
hah
hah
Haa...
Just like that.
Lower your hips...
slump
...
thrust
squish
Uh...

Haa...
He always has a calm face. .
Nice view...
.....
Haa...

Does it hurt?
But now he's making that kind of face.
I'm... fine...
haa
What is this feeling.
thrust

I FEEL LIKE I DON'T WANT ANYONE ELSE TO SEE THIS FACE...
Mmh...
Ah, I see.
giggle
This is what they call the desire to monopolize...
huu
huu
What are you laughing at?
Having it easy?
It's not that.



EVERYTHING THAT WAS LACKING INSIDE OF ME IS GETTING FILLED UP
I just thought that you've made me learn a lot of things...
What does thot mean...? ?

THAT'S HOW I FEEL.

Jugyou Sankan Notice
○Month △Day
Ack.
Don't you have work that day?
Don't tell me you're planning to go...
Oosawa-kun, this...
Jugyou Sankan...
What if it gets her bullied...
The other mothers asked me lots of questions.
Even at the school's welcoming ceremony, people noticed she has 2 fathers...
Oh Chizu-chan's father and... Umm...
YOSHIOKA-SAN IS STARTING TO BECOME AN OVER-DOTING PARENT
...
Chizu-chon, you're such a good girl!
I won't lose to bullies.
Chizu will be okay.
clench

T/N: Jugyou Sankan is an educational event in Japan where the parents visit the school and watch how their children undergo their school life

Feeling like a father
Na way. Daddy won't allow that!
Hahaha...
You runt!
Mind your own business.
Tenchau, if you don't have anyone to marry, Chizu will marry you.
10 YEARS IN THE FUTURE
I'm really gonna take you for a husband.
DIFFERENT EMPLOYEE
Why don't you just get married already?
...
Mind your own business!
Talking like you're better than me.
You brat!
And who's her father?
You're just as old as me!
Daddy won't allow that. Marrying an old man like him!
Eeeh...
?
Anyone but him.
I had that kind of dream...
FEELING LIKE A FATHER.
DOG AND CAT AS ALWAYS.

I'm an assistant in my own way.

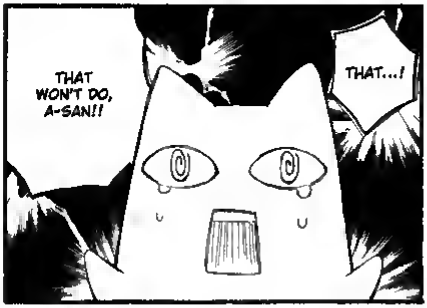
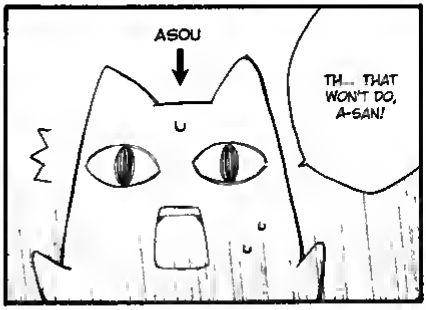
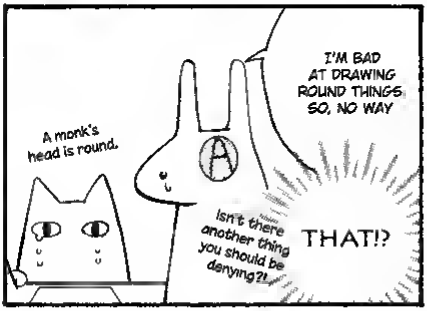
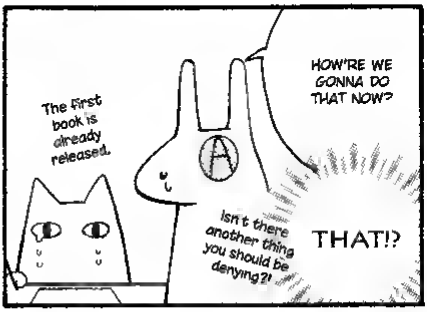
T/N: PLEASE READ EACH COLUMN FROM TOP TO BOTTOM.

Th... there are a lot of hairs on Yoshioka-san's pillow.
BECAUSE IT JUST DOESN'T GO LIKE A BL. HOW ABOUT YOSSHI JUST CAN'T HOLD IT MUCH LONGER AND STARTS GOING BALD FROM STRESS?









※ A REALLY LOVES ASOU-SAN. HER JOB IS WONDERFUL. REALLY.

※ A LOVES YOSHIOKA-SAN AND OOSAWA-KUN.

GREETINGS

Thank you for
purchasing this book

Thank you to my husband
for his advices

Thank you to Oosawa Tamaki
who kept cursing Yoshi
to go bald as she toned his hair!

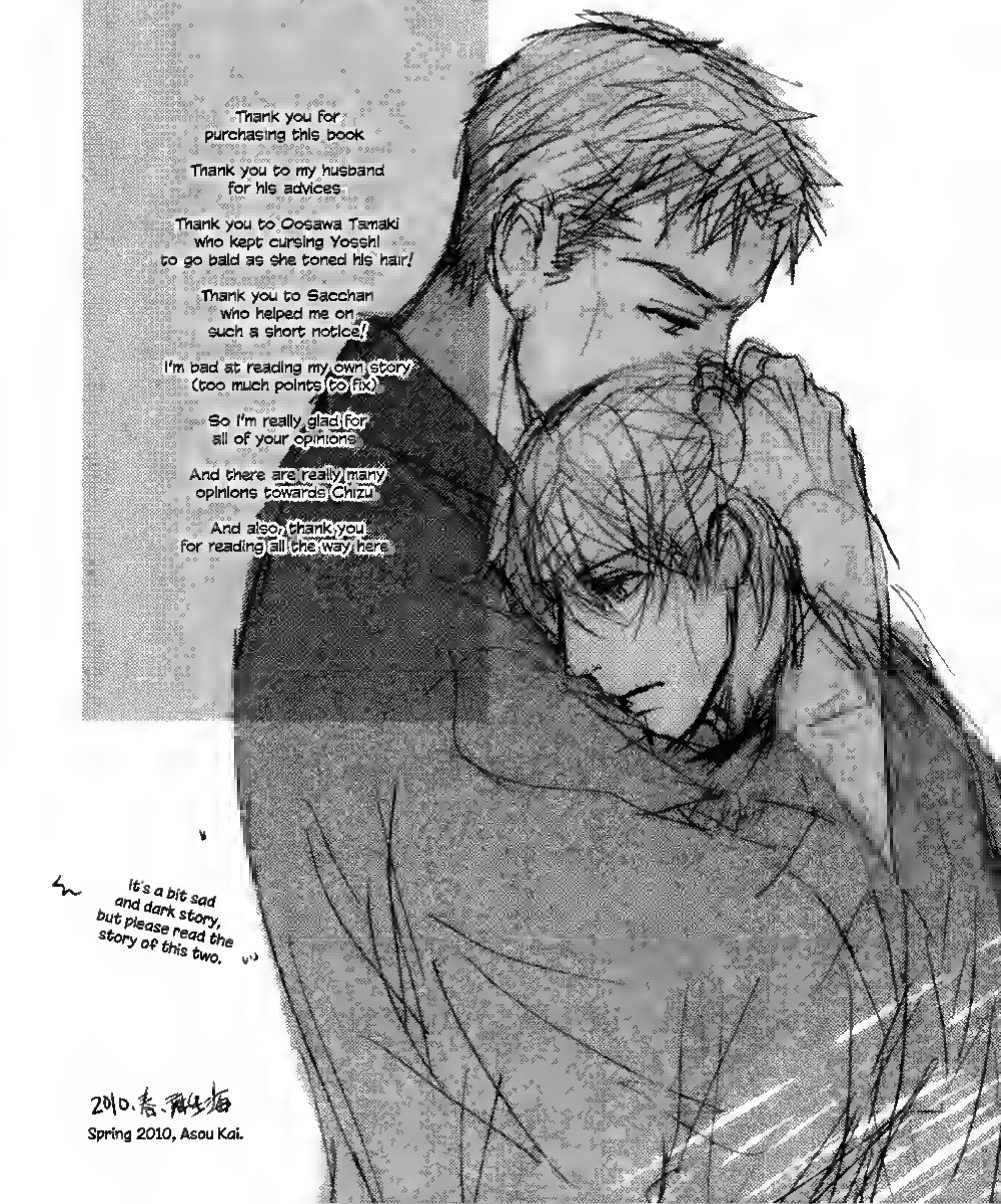
Thank you to Sacchan
who helped me on
such a short notice!

I'm bad at reading my own story
(too much points to fix)

So I'm really glad for
all of your opinions

And there are really many
opinions towards Chizu

And also, thank you
for reading all the way here



It's a bit sad
and dark story,
but please read the
